Homework Club on Monday Nights!

Submitted by Rebekah Lin

Homework Club meets every Monday from 6:00 – 8:00 p.m. in Kromer Hall. We have dinner, homework time, and free time. For the first time since the beginning of the year, Homework Club has space available for new students! If your child (grades 4-12) is interested in attending, our next meeting is Monday, February 28th. Please arrive at Kromer Hall with your child at 5:55 p.m. Please note that while space is available, it is limited. Also, please remember that all students need to bring their homework with them to Homework Club every week!

As always, Homework Club welcomes new tutors or others looking to help out (donations of food, paper goods, and school supplies are especially needed!). If you are interested in tutoring or otherwise helping out, please email rlin10@gmail.com.

Changes to Parking in Remington

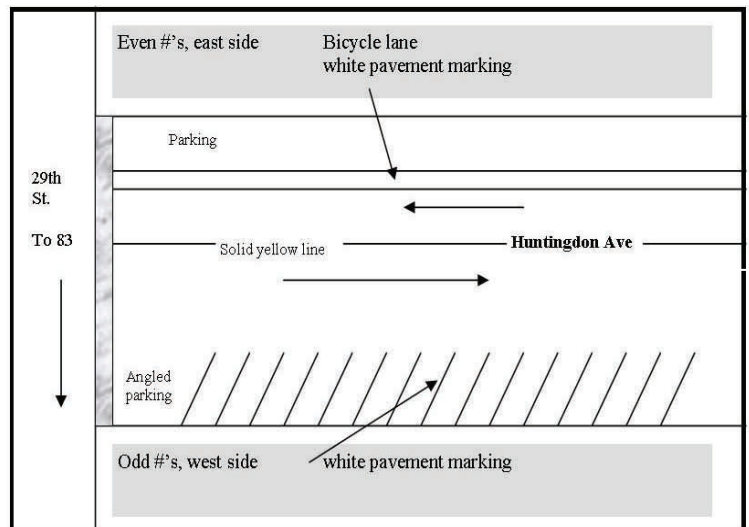

Submitted by Craig Bettenhausen

Huntingdon Avenue Neighbors: Back-in Angled Parking, mostly as depicted in this sketch below, may be coming to your street; just one part of the large package of measures negotiated by your elected Task Force to protect the residents of our neighborhood from the traffic effects of the proposed 25th Street Station.

The angled parking will run up Huntingdon Avenue from 26th street all the way up to 30th street. The angled spots will be on the even # side of the street, and the odd # side will retain the same parallel parking it has now. It is designed this way to slow traffic and make Huntingdon seem less like a main pathway to the development from the JFX. The parking will also increase the available parking for residents.

If you have any questions, concerns, or did not have a chance to voice your opinion prior, please contact Craig Bettenhausen at craigbettenhausen@gmail.com or 443-650-8733 or info.gria@gmail.com.

Please note that the bike lanes are still under negotiation.
