Eighth Edition

July 2012

### A ROCKing good time here in Remington!

On this weather perfect day in June, the neighborhood came out in support and ROCK Remington Clean community picnic and trash can give away and it was a success. Held on June 9th, there were over 300 new trashcans given to Remington Residents.

Along with trashcans and a decorating station for them, there was free food, music from Lennon La Ricci and a visit from Mayor Stephanie Rawlings-Blake, who spoke about her commitment to cleaning up Baltimore.

It was fantastic to see the Remington residents come out to the picnic and enjoy the food, music and socializing with neighbors.

A special thank you all of our volunteers and to our sponsors for this event include Wal-Mart, The Dizz, Charm City Cakes, Charmingtons, Johns Hopkins University, and Seawall Development.

**Top left to right:** Residents at the Trash-can decorating station.

**Middle left:** City councilwoman Mary Pat Clarke and City Council president Jack Young watch the guest Artist Greg Gannon.

**Middle right:** Mayor Rawlings-Blake speaking at the event with GRIA president Judy Kunst.

**Lower left:** There were over 400 hamburgers, 400 bags of chips, 14 watermelons and 2 sheet cakes served.

**Lower right:** Neighbors with their new trash cans in line for the food.

## “City Week” youth visit Remington

Remington saw the return of teens from The Epiphany Episcopal Church of Timonium. They participated in a program called "City Week" which places suburban teens in city neighborhoods. This year there was a group of 8 middle and high school aged teens that live in the Timonium area and came to Remington.

The kids spent the week in Remington and throughout the week they worked on several projects. One of these involved working on several raised bed gardens on the 27th and Sisson street lot with resident Bill Cunningham, and another was painting and demolition work on Ann Williams' house on Huntingdon Avenue. They took the opportunity to make friends with many of the neighborhood children.

Epiphany Episcopal Church has had members come down to visit Remington in this program for several years now. A couple years ago they painted the mural on the wall at 26th and Miles; where now there are newly built garden beds for the community. They all enjoyed their time and many of them will come back throughout the year to do more service work in the neighborhood.

Epiphany Church teens working on the garden lot on 27th and Sisson St. This lot has been empty for many years and now hosts a community garden.

## Spruced Up Storm Drains and Stony Run Fun

Did you know that the water that flows into the storm drains in our neighborhood flows directly to our stream, Stony Run, the Jones Falls and to the harbor?

There are 3 systems of water pipes: one for clean drinking water, one for waste-water, and one for storm water.

The latter is what flows down the storm drains untreated into our watershed. These storm drains should never be used for dumping or littering. Further, a trash clogged drain could cause flooding in the streets. If you see a clogged or damaged storm drain, remove the litter or call 311 to report it.

At the end of July neighborhood residents in collaboration with Blue Water Baltimore, and with city permission, will be stenciling reminders that storm drains are just for rain. It is our hope to start with stenciling, and if there is interest we'll do mural-like painting on select drains throughout the neighborhood.

Escape the heat and join us on Saturday Jul 14, 2012 for a fun Stream Walk from 10am-12pm. We'll meet at the corner of 31st and Huntingdon. We encourage you to photograph our beautiful stream. Some disposable cameras will be available and on loan for kids.

Stream photos and Porch Art activities will be used as inspiration to design storm drain surround art. If you would like to be involved in either project, or make suggestions for storm drain art, please e-mail [remingtonstormdrainmurals@gmail.com](mailto:remingtonstormdrainmurals@gmail.com).
